

Social Justice Fund Application Guidelines

Deadline for Applications: 5:00 PM (AKST) April 1, 2022
Grant Requests Up to \$25,000

Purpose

The Social Justice Fund grant opportunity is designed to facilitate strategic collaborations that prioritize and promote strong civic engagement; equity and inclusion; access to quality health care and education; and community leadership. The goal of this grant program is to support Alaskans in their efforts to address the root causes of social justice issues within their communities and across the state.

Key Considerations

Priority will be given to organizations who:

- Listen to the communities it serves and incorporate community priorities in the proposed project.
- Develop and grow unique partnerships that improve the quality of life in the communities it serves.
- Represent grassroots interests with less opportunity or access to funding sources.
- Demonstrate interest in long-term, fundamental, ideological shifts in relation to social justice issues.

What type of support can you request in your application?

1) **Program Expansion or Creation**- Supports specific projects or programs that serve the community and are linked to an organization's primary mission.

2) **Capacity and General Operating Support**- Supports operations of organizations and programs directly addressing social justice issues. Organizations must demonstrate that general operating support is sustainable beyond the period for requested funds.

Program or project focus areas could include one or more of the following:

Climate Justice	Food Systems/Agriculture	Knowledge Systems
Criminal Justice	Habitat/Biodiversity	Reentry/Recidivism
Economic Justice	Health Care	Subsistence/Food Security
Education	Homelessness	Voting Rights
Energy	Housing	Water
