## Leslie Ridle, Girl Scouts of Alaska

Diane has always been a strong supporter of Girl Scouts of Alaska. In 2020 when the pandemic hit, Diane reached out to ask how things were going at Girl Scouts. I let her know we were sitting on over 145,000 boxes of cookies because girls couldn't get out and sell. We were slightly panicked! The very next day, we got a call from a staff person at Rasmuson Foundation who let us know that Ed Rasmuson wanted to purchase \$25,000 worth of cookies for us to donate to foodbanks across the state. We were floored by his generosity--and I knew he heard our story from Diane.

Leslie Fried, Alaska Jewish Museum

Diane has been a friend to the Alaska  
Jewish Museum for many years!

## Rev. Dr. Keith Hamilton Alaska Christian College

Diane has been a great friend of Alaska Christian College since our inception in 2000. Her latest visit to ACC with all the Foundation staff was a highlight of our partnership over all these years.

Keren Kelly, Homer Senior Citizens, Inc.

Diane has been very supportive of the seniors in our community. Her dedication to our Senior Center and Housing programs has been very significant in keeping our seniors in our community.

## Nick Tedesco, National Center for Family Philanthropy

Diane is an exemplary leader in family philanthropy. Her passion for social impact and the people of Alaska is evident and it has been a pleasure to get to know her over the years. The National Center for Family Philanthropy wishes her all the best in her future endeavors!

Rebecca Meiers, KCAW Sitka

Diane is worth celebrating!

A diverse group of people, including men and women of various ages and ethnicities, are gathered together. They are holding a large white banner that spans across the front of the group. The banner contains text in a serif font. The background shows an indoor setting with large windows and framed artwork on the walls.

# Cherie Northon, Anchorage Waterways Council

Diane Kaplan and her leadership at the Rasmuson Foundation have made a wonderful difference to the Anchorage Waterways Council.

Dennis McMillian

Diane knows I love her and wish I could  
be with her and all of her friends.

## Eliza and Ted Eller

Diane really "saw" our efforts at Ionia, unusual though they might be, and was instrumental in the award of several Rasmuson Foundation grants that allowed us to build, by hand, two huge natural community buildings: the Ionia Longhouse and the Barn. Many many struggling Alaskans have found wholesome company, peer support, and simple seasonal activities at these centers.

Diane still visits sometimes with her staff or family. She is always welcome.

## Hannah Hill, Bread Line

Diane took me aside and, with a warmth I will never forget, told me that she believed in the importance of Bread Line's work. It was just a few words, but the fact that someone like Diane would take the time to visit our soup kitchen and help center, I knew then that she was more than just an ally to our work. Diane is a maker, someone who lifts others and makes dreams possible.

## Dixie Clough, Museums Alaska

I am new to Alaska—I moved here in 2021 for the position at Museums Alaska—but before I even set foot in the state, I saw evidence of the tremendous impact of Diane's—and through her—Rasmuson Foundation's support for nonprofits in Alaska. My own position is greatly supported by Rasmuson Foundation as we work to grow and professionalize. I would not be in Alaska if it were not for Diane's and Rasmuson Foundation's belief in our organization, so I have also personally benefited from their vision and generosity! Thank you!

## Lisa Busch, Sitka Sound Science Center

Diane was head of Alaska Public Radio Network when I first moved to Alaska as a pup reporter at KCAW in Sitka. She changed the landscape of public broadcasting in Alaska and she made it possible for small communities like ours to have local news. Since that era, I have watched in awe as she has influenced the State in her work at the Rasmuson Foundation.

## Alysyn Thibault, Anchorage Youth Court

Diane was warm, supportive, and curious about each young person she spoke with and provided honest, valuable feedback to them all. I deeply appreciated her time and her support of my students and will always remember the time she took to connect with them.

Roberta Eleazer, Gulkana Village Council

Diane, Thank you for all that you have done for tribes and the people of Alaska. You will be missed. Gulkana Village Council

## Brian Green, Christian Health Associates

When I reflect on Diane Kaplan, words like advocate, partner, friend, competent, insightful, caring, big picture come to mind. For nearly thirty years the Rasmuson Foundation, Diane at the helm, has been a powerful partner with Christian Health Associates in our growth and ability to serve Anchorage and Alaska. Most recently, Diane's insights, care and timely advocacy were critical in helping us move into a newly remodeled building with far greater capacity to provide "help along the way". I am grateful to call Diane my friend and, for me personally, she will be sorely missed.

She values people and relationships so deeply that she has fostered networks and communities through listening, visioning, and working together toward giant shared goals. Alaskans think bigger, work harder and achieve more because of her. Diane's legacy is lasting—it's imagination, cooperation and capacity. It's the very best gift. ## Belle Mickelson, Cordova 4H Camp

Thanks so much to the Rasmuson Foundation under Diane Kaplan's leadership for donating funds for Cordova 4H musical instruments that have been used by hundreds of students for over 20 years--including recent donations to help us get through the pandemic isolation. ## Jamar Hill, Gamers/RBI Alaska

Diane Kaplan, while with the Rasmuson Foundation, approved our first grant from a non sport related foundation. The grant was for technology to better communicate with youth athletes and organization stakeholders. While this may seem like a small gesture of support, this approval was the first step that allowed us to build the relationships needed to execute a capital campaign for an indoor practice facility in the Mountain View neighborhood of Anchorage Alaska.

## Mollie Kabler, CoastAlaska, Inc.

During her tenure at the Rasmuson Foundation, we have all been touched by her leadership; no matter how small or unprecedented a project is, if it makes a difference in people's lives, Diane will likely find a way to support it. So let's keep her vision alive by continuing to advocate for all of us in our community.

## Cheryl and Marty Metiva, Rotary Alaska (District 5010)

Diane became a dedicated Rotarian in 1990. Her selfless service, and "roll up her sleeves" attitude has contributed to the success of the Anchorage Rotary Club and the greater community. As a guest speaker at Rotary Clubs across the state of Alaska, she has shared a compassionate, broad vision of "Service Above Self", the motto of Rotary International.

## Rev. Belle Mickelson, Red Dragon Historic District

We are so grateful for the Rasmuson Foundation and Diane Kaplan's help! The Rasmuson Foundation donated to the new roofs for both the Red Dragon and St. George's Episcopal Church. In our rainy climate--roofs and places to meet are very valuable. The Red Dragon has always been the town's living room, in addition to the parish hall. During the pandemic, the Red Dragon has been used continually for quarantining, housing for the homeless and those in recovery. St. George's church has been used for weekly church services and to house Cordova 4H Instruments, music lessons, and community meetings. We're so happy to have these historic buildings in our community. Thank you Diane!!

## Elizabeth Milliken, Rural Alaska Community Actions Program, Inc. (RurAL CAP)

The RurAL CAP team thanks Diane for her tireless advocacy, support, and collaboration in serving low-income individuals and families across Alaska. Diane's passion and leadership stand as a pillar of timeless inspiration to our community.

## Joan O'Keefe, United Human Services of SE Alaska (UHS)

Teal Street Center has been a dream of Juneau's social service nonprofits for well over a decade - a hub that brings together the many agencies that serve elders, youth, people with disabilities, and many more. Diane has been an unwavering champion, supporter and advisor every step of the way. Diane never failed to make time to listen, brainstorm, suggest new funding sources and promote Teal Street Center to prospective funders. She opened doors we didn't even know existed. We are in the final stages of construction and fundraising, and very close to opening our doors to the public this spring. Thank You Diane!
