Please explain:

- What organization/program the choir will serve
- Include how many hours the choir will spend at the organization/program
- The activity to be done within that organization/program

Community service projects will need to be completed by December 31, 2023. You will need to submit photos of the project in your final report. Community service projects not completed will disqualify the school from being allowed to receive 2023-2024 grant funds.
